# SENIOR CLASS WILL

We, the Senior Class of McComb High School, county of Hancock, state of Ohio, in the year of our Lord, nineteen hundred and fifty-eight, having been found in sound mind and body, after twelve years of feudin', fussin', and fightin', find it necessary to dispose of our unforgettable traits and priceless possessions, declare our last will and testament.

To the school - we leave our fond memory and a huge Bermuda onion, so they can more easily shed the tears we know are in their hearts at the thought of our departure.

To the Juniors - we leave our dear old homeroom (Mr. Detamore goes with it) sorry kids every senior must go through through the same torture.

To the Sophomores - we leave our well used American History book but remember you must learn to appreciate Mr. Ensign's intelligent jokes.

To the Freshmen - we leave our great ability to make money. But you must start now or you won't make it any farther than Shawtown on your class trip.

I, Mary Ellen Adams, hereby bequeath my ability to argue with Mr. Detamore to Jo Fran Ferrell. But remember never give up until the fight is won!

I, Fred Altsaetter, will my great ability for talking back to J. B. and always getting away with it, to Jerry Pierce. But please Jerry remember you're not as big as I am.

I, Connie Brickman, will my ability to go steady with three boys at the same time to Bonnie Newcomer. But remember Bonnie do as I do, keep them far apart we want no blood-shed.

I, Kenneth Bryan, will my great stature to Jim Edie so he can be the tallest one in the band instead of the shortest one on the football team.

I, Ruthann Buchanan, bequeath my majorette whistle to Jan Brickman, hoping the kids will give her more attention than they did me.

I, Bill Davis, will my determination to get through school or bust to Gene Stoepfel, chin-up old boy it's not that bad.

I, Barbara Ewing, will my ability to grow long fingernails to Marlene Mapes, so she will have an always handy letter opener.

I, Bill Foltz, bequeath my drawing skill to Mr. Ammons so his future students can make out his illustrated exams.

I, George Franks, hereby bequeath my tap dancing ability to John Stanfield. So he too can thrill audiences around the world.

I, Mary Haughn, leave my empty seat in Chemistry to my little brother Ronnie. Be patient Miss Painter, there's only one more.

I, Brenda Holladay, hereby bequeath my naturally blonde hair to all the girls in the sophomore class since "Gentlemen Prefer Blondes!"

I, Anita Kurtz, hereby bequeath my slim trim figure to Scott Rader so he won't have to spend all his money on RDX tablets.

I, Ruth Leader, hereby will my great liking for getting up in the wee hours to study my Government to Don Kepling. But remember Don that mean's home from Darlene's before ten!

I, Jack Myers, bequeath my naturally curly hair to anyone who is sick of nightly pinups.

I, Jan Nigh, will my changing moods to anyone who feels he is capable of upholding my old traditions.

I, Ralph Nigh, hereby will my three day school week to Gary Geren so he'll only have three days a week to fight with Mr. Steed.

I, Roger Orwick, bequeath my attractiveness for girls to Charles Eberly so he won't have to read the dictionary for entertainment.

I, Mary Ann Parker, will my quietness to Becky Shoop. Please, Becky, don't ruin my reputation.

I, Don Phillips, hereby will my position as president of McComb's Wolf Club to Junior Shafer, but remember the president must be the biggest and best.

I, Hobson Rader, bequeath my ability to stay one step ahead of the law to Don Lora. You'll have to work hard, Don, I'm afraid I did have an advantage over you!

I, Rosie Rader, will my great liking to give long speeches in front of enormous audiences to anyone who wants to overcome stage fright. Why kids there's nothing to it!

I, Phyllis Rozelle, hereby leave all the chewing gum in McComb School to Mrs. Spitzer so she can keep it under lock and key!

I, Sandra Shafer, bequeath my hot rod to Harold Varner providing he treats it as I did: never under sixty and always a mad man behind the wheel.

I, Joleen Shank, hereby will my obnoxious giggle to Ronnie Pendleton providing he is always heard and never seen as I was.

I, Jerry Smith, will my position in Cap's Restaurant to anyone who thinks he can fry an egg without breaking the "shell."

I, Frank Sterling, hereby will my combat boots to Mr. Ensign providing he promises to wear them all the time. Just think kids he'll never sneak up on us again!

I, Dale Smith, hereby will my great liking for drive-in movies to anyone who doesn't particularly want to see the picture show anyway.

# SENIOR CLASS PROPHECY

We, the undersigned being empowered with special ability to foretell the future, do hereby prophesy the following event.

The year, 1976, November 5, election night, two confirmed bachelor girls, Anita Kurtz and Ruthann Buchanan are seated in their swanky New York apartment awaiting the 1976 presidential election return on the M H S Television Network. What are they watching? You guessed it! Ruth "Legs" Leader and Mary Ann "Can-Can" Parker also featuring Lanky Franky Sterling and Silly Billy Davis in the Crazy Legs Jive Session, the most talked about program on the air. Suddenly the program is interrupted by a news flash. J. Frederick Nigh, the famed news commentator, announces from Deweyville where the outcome of the election has just been determined, "Good evening Ladies and Gentlemen: The most fantabulous thing has happened. Voters of the U.S. have just elected their first Woman President, Mary Haughn. This miraculous news has stunned her to the point of speechlessness. Her personal secretary, Donald Phillips, will speak for her." Mr. Phillips? "Thank you for electing her. This guarantees me a job for the next four years as personal secretary to the newly elected President. I have been authorized to announce the following appointments to madam President's cabinet: Secretary of State - Fred Altstaetter; Secretary of Treasure - Phyllis Rozelle; Secretary of Interplanetary Hot Rod Rockets - Ralph Nigh; Secretary of Army, Navy, and Airforce - Barbara Ewing; Secretary of Health, Education, Welfare and Super Markets - George Franks; Secretary of Cottonpickin' Agriculture - Marvin (Tater Bug) Tate; Secretary of Labor - Susie Wade. Further Cabinet appointments will be announced at a later date." "This is J. Frederick Nigh returning you to The Crazy Legs Jive Session, sponsored by the Linda Wagner's Wobbly Wagon Works. And now speaking for the Wagner's wagon is Kenny (Beans) Bryan, former All-American center." "Ladies and Gentlemen, I always transport my boiled beans in Wagner's Wobbly Wagons."

"This brings to an end our program for this week. We would like to remind you to tune in next week when our show will headline such world famous acts as: Connie Brickman directing her all-male ukelele band playing their latest smash hit 'Peg of My liver'; Mary Ellen Adams' Talking Chickens, and Gerald Allen, world famous magician, who will attempt the impossible fete of making his vivacious assistant, Brenda Holladay, disappear on this very stage. Next weeks' show will be brought to you by our alternate sponsor, Roger Orwick's Orange Oysters."

Suddenly the peacefulness of the bachelor girls' apartment is shattered by a loud rap on the door. Upon opening the door, the girls peered into the eyes of Dizzy Dale Smith, owner and operator of Smith's Special Delivery Service, who handed them a special message from the President of the U.S. With trembling fingers they opened the message and found that they had been invited to a lawn party honoring McComb High School's class of 1958.

The girls were delighted to find that they would be transported to the nation's capitol by Sandra Shafer's Supersonic Strato-Cruiser, piloted by ace pilot, Bill Foltz. The announcement also stated that the food would be provided by the nation's finest catering service, J. D. Smith Incorporated. The girls noticed that the entertainment would be furnished by four members of the class of 1958. Just back from a concert tour of Europe the outstanding ladies quartet consisting of Bass, Joleen Shank; Alto, Rosie Wasson; Mezzo Soprano, Mary Stoepfel; and Soprano, Rosie Rader. The invitation stated in gold letters that the speaker for the occasion would be Industrial Tycoon and Playboy millionaire, President of General Motors, the highly successful Jackie L. Myers.

The big day finally arrived and all members of the class of 1958 were present at the party given in their honor by the President of the U.S. However this prophecy would not be complete without mention of that unsung hero who worked late into the night long after all the guests had disappeared. Bending low with his sharp-pointed stick picking up each bit of paper, we see the lonely figure of Hobson Rader.

# CLASS HISTORY

Well Seniors, here we are on the threshold of life after four years of happiness starting Fall 1954 and ending Spring 1958. Now, suddenly it's all over, and we find ourselves looking back on these last four wonderful years.

In the fall of 1954, 38 "inexperienced" Freshmen started the year by electing the following officers: President - Roger Orwick, Vice-President - Fred Altstaetter, Secretary-Treasurer - Anita Kurtz, Historian - Mary Haughn, Reporter - Jack Myers. Our Advisor was Mr. White.

In October we were sorry to lose Linda Martin and Franklin Sterling, but we were happy to welcome John and Jay Rea to our class. So we still have 38 students in our class.

This year we chose as our class colors white and blue and our class flower red carnation. Our motto "Forward Ever, Backward Never."

As Sophomores we have climbed one more step in school life. There were 36 Sophomores looking forward to selecting flashy and beautiful class rings. We elected the following officers for this school year: President - Roger Orwick, Vice-President - Jack Myers, Secretary - Anita Kurtz, Treasurer - Ruth Leader, Historian - Mary Haughn, Reporter - Rosie Wasson. Our advisor this year was Mr. Schmunk.

We were sorry to lose Arden Rader and glad to gain Jerry Smith and Franklin Sterling.

As Juniors we began the year with 36 students and elected the following: President - Jack Myers, Vice-President - Roger Orwick, Secretary - Anita Kurtz, Treasurer - Ruth Leader, Reporter - Jerry Smith, Historian - Mary Ellen Adams, and our class advisor Miss Painter.

We were sorry to lose Carol Butler, John and Jay Rea, but glad to welcome June Hile.

November 2, we presented the play "Down To Earth" which was enjoyed by all.

As money making projects we sold Christmas cards and sold refreshments at some of the ballgames.

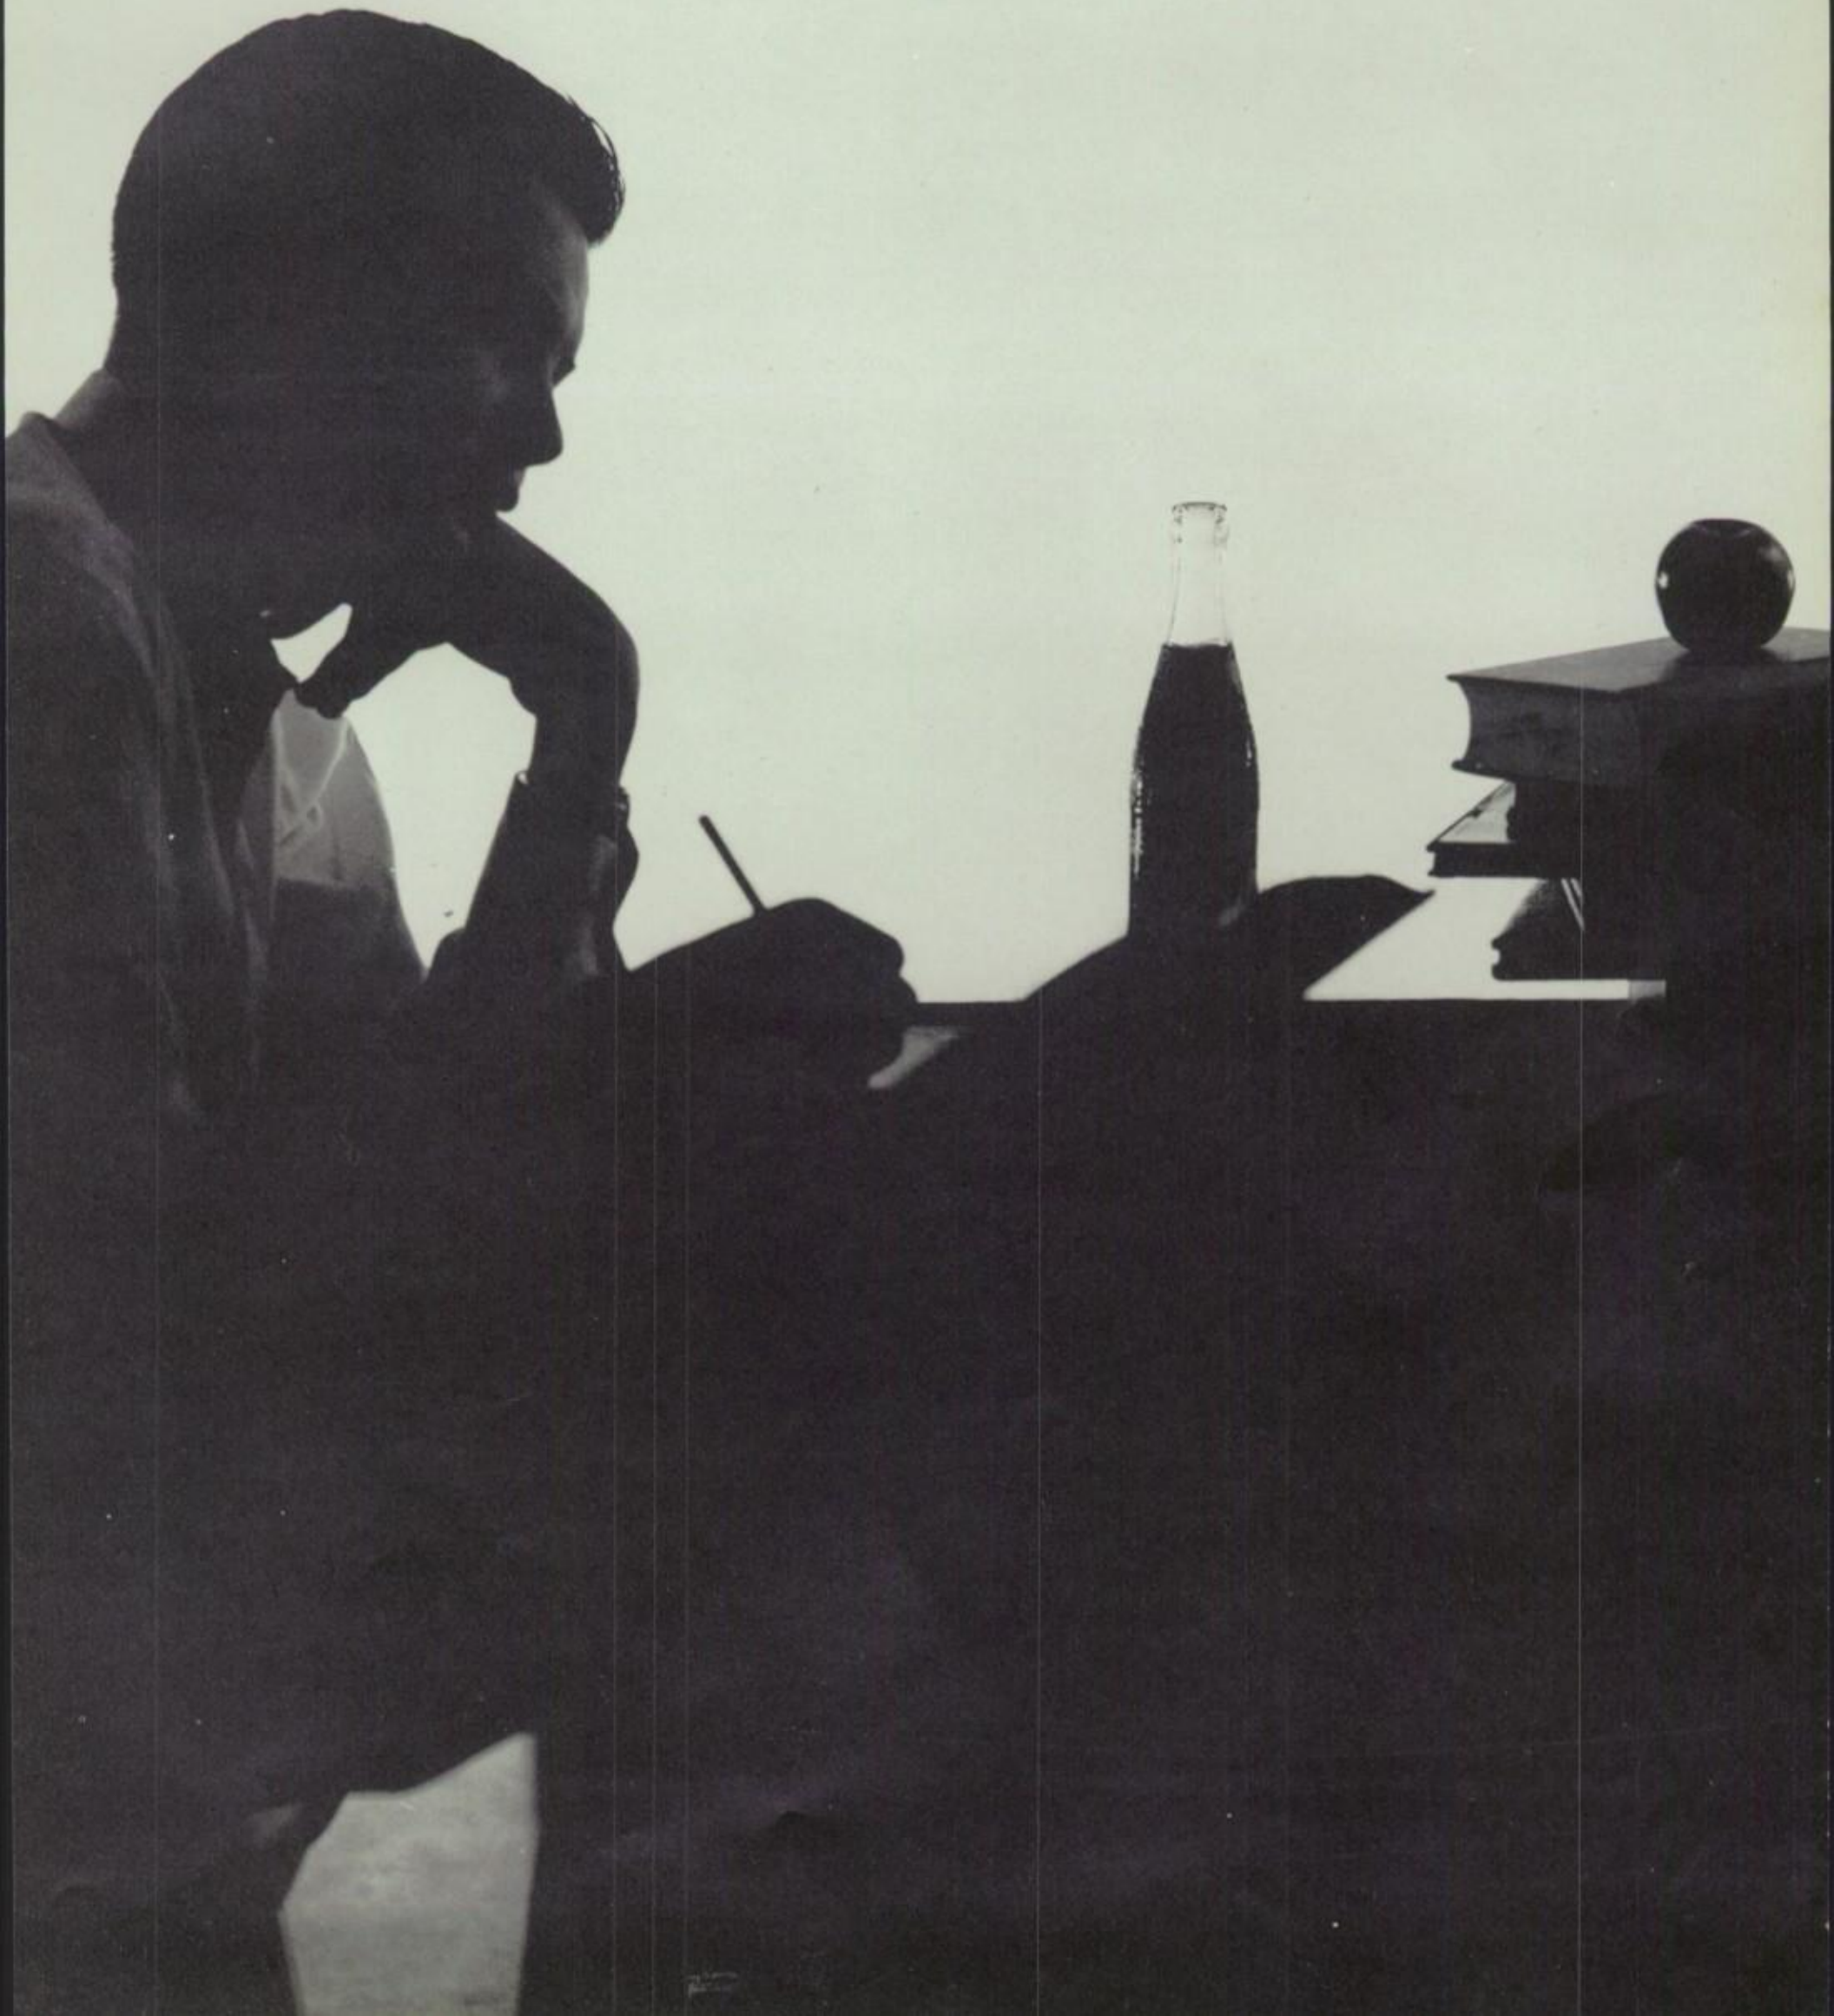

We were proud of the number of boys that went out for sports. Mary Ellen Adams was elected cheerleader.

In May, we carried on the tradition and entertained the Seniors.

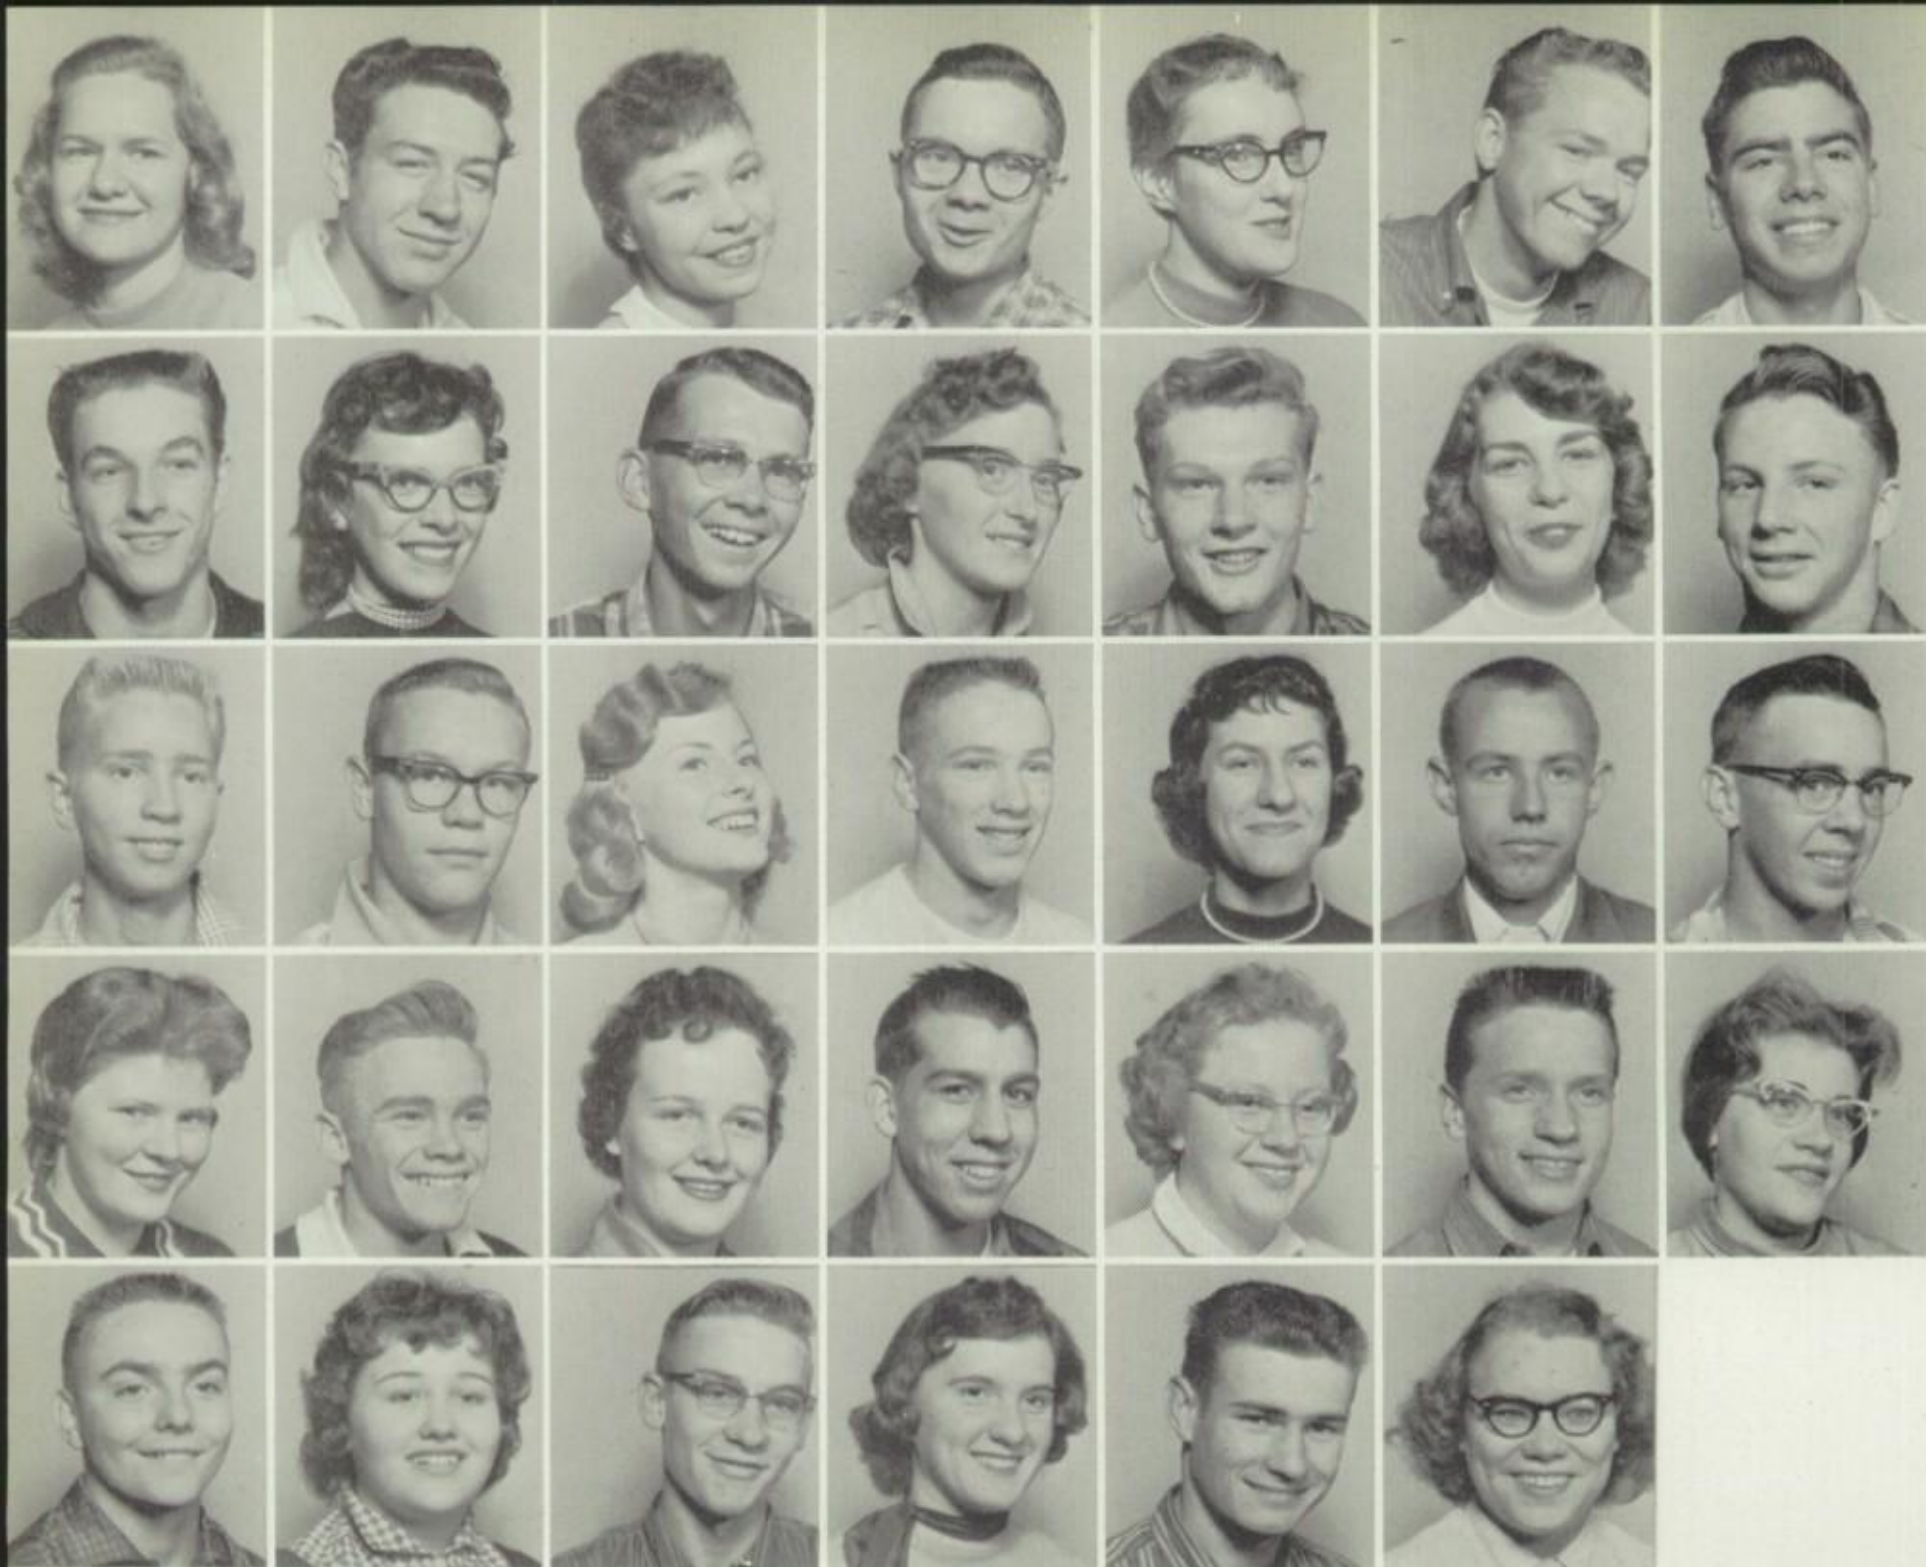

At last we climbed our last step. Our Senior year. We began our senior year with 33 students. We were sorry to lose June Hile, Lola Davis, and Ruthann Buchanan. We chose as our class officers: President - Roger Orwick, Vice President - Jack Myers, Secretary - Ruth Leader, and Treasurer - Anita Kurtz. We were honored to have Miss Painter as our class advisor once again. We were proud to have Mary Stoepfel, chosen by the student body, to reign as Homecoming Queen. Early in the year we went to Fostoria, Ohio, to have our class pictures taken and found it to be a memorable occasion. We worked hard this year to finance our class trip. We saved tax stamps, had concessions at the basketball games, and sold Herald subscriptions. Our play "Finders Creepers" was a success. We found ourselves, all too soon, ending our school career. A banquet by the Juniors on May 17th, Baccalaureate and Commencement on May 18th and we were ready on June 1st for a glorious, long awaited, trip to Washington and New York. This was the closing of our high school days for the Class of 1958.

## STUDENT COUNCIL

The McComb Student Council, a member of the National Association of Student Councils, is composed of the Presidents, Vice Presidents, and Secretaries of the upper six classes. These persons represent their classes in making various decisions throughout the school year.

The purpose of the Student Council is to give the students a chance to make suggestions on entertainment and scholastic progress in the school. We feel that through this plan, closer co-operation has been promoted between the teachers and students.

At the first meeting, we chose officers to preside during the year as follows: President, Jack Myers; Vice President, Ruth Leader; Secretary-Treasurer, Judy Sheidler.

The Student Council sponsors various activities for the school. Among these were the Homecoming, and the Christmas Dance.

Everyone enjoyed the six programs which were sponsored by the Student Council.

Funds for the organization to carry on its projects were raised through a magazine sale carried on by the school.

## G. A. A.

The Girls' Athletic Association opened this year with the election of officers. The girls and their respective officers are: President, Suzanne Wade; Vice President, Sue Rosenberger; Secretary, Marlene Mapes.

It was also decided that the G.A.A. would continue its bowling program in cooperation with Sportsman Lanes at Findlay. The group bowled each Tuesday evening after school. A league was formed within the organization. The average attendance in the bowling program was 25.

Awards are made for the top team in the league. Individual trophies are given to the girl with the highest average in the freshman, sophomore, junior, and senior classes. In order to encourage each bowler toward improvement, an award is given to the girl who has improved her average the most during the year.

The first of each month the girls turned in G.A.A. points which were secured by participating in a variety of sports individually. Four points are earned for each hour of participation.

A total of 1000 points is needed to earn a letter. With an additional 200 points the G.A.A. member is eligible for a pin.

Throughout the year, Miss Painter was our sponsor during the club's activities.

Our chapter is financed by group participation which provides an income large enough to sponsor all necessary activities. Our goal is to do tomorrow's task quicker and more efficiently and with increased profit. Our motto is "Learning to do, Doing to learn; Earning to live, Living to serve."

The following officers were elected by the organization to serve this year: President, Kenny Bryan; Vice President, Jack Myers; Secretary, Roger Orwick; Treasurer, Marvin Ritter; Reporter, Hobson Rader; Sentinel, Bill Foltz; Student Advisor, Ralph Nigh. Our advisor is Mr. White.

## MIXED

Last year's chorus set some very high standards for the 1958 Mixed Chorus. The first day of chorus found us with 120 members, 75 girls and 45 boys.

The chorus worked very hard for the Christmas on Monday night, December 16. A Christmas cantata "The Song of Christmas" was presented to a full auditorium.

The chorus was well represented at the Hancock County Music Festival which was held on January 25 at Arlington High School.

Our fine accompanist for this year was Anita Kurtz. Many thanks Anita for a job well done.

The chorus will miss its ten senior boys and fifteen senior girls. Many of them have been soloists for

# 1957 PANTHER MARCHING BAND

Under the direction of Mr. Bill K. Detamore the 1957 Panther Marching Band had a very busy and eventful marching season. It seemed like the weather men and those parade marshals were working together to keep us wet all summer.

We started our season as always with the McComb Memorial parade, then the Van Wert Peony festival was one of the highlights of the summer. We attended the various local celebrations such as Deshler, Leipsic, Arlington, Vanlue, and the Wood County Fair. The Ohio State Fair and of course the Hancock County Fair closed our summer program.

The Annual Lakeside picnic was another of the more enjoyable trips in which the band marched. Our supporting organization, the McComb Band Mothers and the band members enjoyed a fine picnic and concert, then we all went for an afternoon swim.

Our 1957 football shows were hampered by bad weather and sickness. The ninety piece football band was well received and the school spirit of the band improved with each game. Let's keep it up for years to come gang. The band tried many new ideas for better cooperation between players, fans, and students with remarkable success. The marching band says farewell to thirteen seniors, Best of luck and may your life always be full of music.

## McCOMB HIGH SCHOOL

The 1958 Concert Band contains 66 members, primarily students from the upper four grades. This year the band had the best instrumentation that it has ever had.

Our supporting organization, the McComb Band mothers, gave us a new double French Horn. Scott Rader is holding it in the picture.

Last year the concert band played in the C-2 classification, but due to the increase in the high school enrollment the band participated in class C-1 this year.

## CONCERT BAND

This year the band bids a sad farewell to twelve seniors. They were always leaders in our organization and we shall surely miss them as they leave their chairs to the juniors.

The band wishes to express their appreciation to the Band Mothers, who have done so much for them during the past year. The officers of the Band Mothers are: President, Mrs. Don Rader; Vice President, Mrs. Burl Beck; Secretary, Mrs. Everett Ritter; Treasurer, Mrs. Wayne Agner.

## JUNIOR PLAY

On November 8, the Junior Class presented the play "Come Out of the Closet," a three act mystery by Rollin W. Coyle.

Three girls from Ohio . . . practical Hilda, fragile Irene, and eternally naïve Jenny rent an old, gloomy, run-down apartment in New York with a locked closet . . . a closet without a key.

Mrs. Malone, the tigerishly greedy landlady, overcharges rent on a per-person basis. Short on cash the girls pretend that there are two instead of three renting the apartment. Of course, Jenny will have to be smuggled in and out, sleep on the hard-as-rocks old couch, and hide in the closet when Mrs. Malone pays one of her many unexpected visits.

And what an unique assortment of neighbors they have! The Cutters and their week-old baby; Guthrie Rosewater, a poet; his muse, an elderly lady; Abbie Phillips; also Ammonia, Mrs. Malones 16 year old maid.

There are two friends, Hercules Jones, a taxi driver who is good natured, and George Hanson, Irene's fiancée. Both insist on staying and protecting the girls from the strange people who keep bursting into the room.

Officer Sweeny is called in to uncover a gang of counterfeiters. After the counterfeiters have been captured and the secret of the locked closet is unveiled, the girls stay in New York.

The cast for the play was as follows: Mrs. Malone-Sue Rosenberger. Hilda-Joyce Campbell. Irene-Jan Brickman. Jenny-Judy Sheidler. Guthrie Rosewater-Charles Eberly. Abbie Phillips-Kay Myers. Ammonia-Connie Nagy. Mr. Cutter-Charles Cosner. Hercules-Ron Pendleton. George Hanson-Russell Conrad. Sweeny-Dennis Geren.

## SENIOR CLASS PLAY

On May 9, the Senior Class Play, a mystery-comedy, "Finders Creepers" was presented.

After learning that Uncle Bob's new job, however, is that of a mortician, they quickly change their minds. They're all for heading home, especially when they find there's another "guest" in the house. Jason Quigley is brought in as dead, but things really begin to happen when he walks around, reads the paper, and is very much alive. The two boys turn detective and even with all of their bungling the real criminal who tried to poison Mr. Quigley is prosecuted.

for them the rest of the year. They finished the season with an untarnished record of no wins and eight losses.

Six seniors will be lost this year by graduation. In the line Fred Altstaetter, Marvin Tate, and Gerald Aller. The backfield will be losing Jan Nigh and Jack Myers. The team will also lose the pass-catching of all-county end Roger Orwick.

The local fans should look forward to a promising team next year as there are eleven promising lettermen returning.

## CHEERLEADERS

The Panther Baseball squad moved into the 1958 spring season with the usual McComb determination to win every game. The coach, Mr. Jack Ammons, worked hard with the team and was proud of them in victory and defeat as they displayed an excellent brand of sportsmanship.

Roy Wise was the only experienced pitcher on the staff and was called upon frequently for mound duty.

Other experienced lettermen included Seniors - Gerald Aller, Jan Nigh and Jack Myers, Juniors - Charles Cosner and John Stanfield. Several Sophomores were outstanding in their various positions. The Freshmen who joined the squad this year gained experience that will make them valuable to the team next year. The spirit shown by the cheering fans who crowded the stands for each game added much to the team's efforts.

## SQUAD

The spirited Panthers came on to the courts this year with four lettermen eager to make a prosperous year of basketball. Although their number was somewhat small, spirit, determination, and their hard work at practice night after night closed the gap between success and complete failure. After erasing from their minds previous records, the Panthers were determined to go places. Maybe their hopes were dampened slightly but they won their share of games and built an excellent foundation for next years team. This year we lose two seniors, Gerald Aller and Roger Orwick.
